The second Tri-Country League tournament was won by Livermore Falls at Farmington on Tuesday in three games.

The morning game was a close battle with Twin Town putting the edge on Farmington with a 3 to 2 count. Beck twirled a steady game for the Twins and Sullivan officiated for Farmington. The Norway outfit trailed with a zero score until three runs in the last two innings put them over the line. Farmington never crossed the plate after the fifth inning.

The first game in the afternoon was easy picking for Livermore Falls against Dixfield and finished with a 11-2 mark.

The third game between the winners was a real contest. Both Livermore and Twin Town scored heavily in their first frame but settled to an even keel. Beck, the Livermore boy, was knocked from the box in the first frame and Vargus was substituted. The Twins saved their ammunition until the ninth and closed with three runs, tying the score. Livermore chased one across in the tenth and White's boys lost the winning chance in their first session on a close decision at the plate.

**A Call to Arms for Law Enforcement**

There have been outlawed 177,790 saloons, 1,000 breweries, and 236 distilleries. Church statistics show an increase in members of 1,000,000. Thousands of members are not spending their evenings and wages in saloons.

What can and must be done: The child is the hope of the nation—educate the child. Law enforcement must be of the people, by the people and for the people, each must bear his part. The people, each must bear his part. The people, each must bear his part.

## SOUTH PARIS

**Paris Players in Comedy Drama**  
Association Hall was packed to the doors Friday evening when a group of local players presented "Mrs. Temple's Telegram" in three acts. The players were received with enthusiasm and the presentation reflects credit to the skillful coaching of Roger Davis. The players had been carefully selected for their respective parts, and from experience gained while touring Oxford County, brought to the home audience smooth running show far ahead of the average professional troupes.

The play is a good, lively farce, not dependent on low comedy to get it over the footlights. Complications in the machinery of a well regulated household developing into misunderstandings and other domestic troubles, furnish the laugh material. A plot is missing, but so ridiculous are the situations which appeal to human experience, this fact is overlooked and forgotten in the excitement. One unnecessary fib passed by the husband to the wife, breeds a lively flock of black lies and all concerned flounder around until the household is at length brought back to a normal condition.

The cast was assisted by George H. Quimby of Welleley Hills, Mass., in the role "Wigson, the Butler." The character part was finely presented and stamps the actor as one perfectly at home on the "boards." Roger Davis and Eugene Lowell appeared in strong roles as played up to the high standard necessary to produce the best in their lines and action. Others in the cast were up to the minute in every respect and cleverly impersonated the characters assigned. All received generous applause in telling situations, and the dialogue was interrupted with gales of laughter.

Ray Dunham's orchestra furnished music between the acts. The cast was: Wigson, a butler ..... George Quimby  
Mrs. Jack Temple ..... Mrs. Stevens  
Dorothy, Mrs. Temple's sister ..... Lulu Billings  
Jack Temple ..... Dorothea Davis  
Mrs. Frank Fuller ..... Roger Davis  
Capt. Sharpe ..... F. B. Fife  
Mrs. John Brown ..... Glenn Starbird  
John Brown ..... William Irvine

**Fighting Booze in Rumford**  
Sheriff William O. Frothingham with his deputies Reed and Roderick of Rumford have pierced the heart of an alleged "rum ring" at Rumford Falls and rounded up a sizable group for the October term.

Numerous raids have been staged so quietly the past three weeks, little of their doings leaked to public ears. Nevertheless Sheriff Frothingham has stamped on the trail of liquor vendors and with his deputies has considerably reduced the chances to produce the non-descript fluid in the paper town. While Rumford is not so dry as the proverbial contribution box, moonshine and other shock absorbers are still in small quantities and only with the greatest secrecy. The Sheriff, according to reports has thrown a scare into the rum camp and many who claim to know, affirm the organized liquor forces are deeply concerned over the conditions.

Endurance for positive conviction is protracted only after days of watching and waiting. It is said a regular Secret Service exists among the bootleggers and heads of operators. Spies of the gang appear to know every move the officers make, then pass the information along in some "underground" manner. It is the reason so little "stuff" is found in a raid and evidence hard to land according to inside facts.

Despite handicaps to delay the officers, the controllers of booze in Rumford are becoming entangled in the meshes of the law, which Sheriff Frothingham proposed to enforce to the letter.

**Paris Grange**  
The regular meeting of Paris Grange was held August 4 at 7:30 p. m. instead of 1:30. All of the regular officers were present. Norway Grange had been invited and a good delegation came over. A vote was taken by Paris Grange to make an exhibit at the County Fair. Brother A. P. Stearns, Jr., gave notice of a field day at the Long-Look-Out farm this month, the date to be given for all to come and enjoy the day. Paris Grange degree team worked the 3d and 4th degrees on four candidates, two from Norway and two from Paris Grange. The work was done in a very excellent manner. A program was then carried out.

## DAYS OF DIZZINESS

Come to Hundreds of Norway People

There are days of dizziness;  
Spells of headache, languor, backache;  
Sometimes rheumatic pains;  
Often urinary disorders.

Doan's Kidney Pills are especially for kidney ills.

Endorsed in Norway by grateful friends and neighbors.

Mrs. W. J. Olmstead, 95 Main St., Norway, says: "My kidneys began to give me trouble as they were weak. My back ached so badly I could hardly get through with my housework and everything I undertook to do seemed a drag. I was dizzy and could see star-like spots before my eyes. My feet and ankles swelled. I read about Doan's Kidney Pills being good and sent for some. When I had finished taking them, I felt as well as ever. The backache ceased and my kidneys became regulated. I have told a number of people about Doan's."

## HARRISON

Music and Old Home Week

The writer of the article in the last issue on "Harrison Fair Week" evidently stretched his imagination to the limit and indulged in day dreams. "Mounted Police, cannon, military bands etc." were unknown quantities during the whole week of celebration which took place mostly in the evenings. The days were very quiet and except for ball games utterly devoid of the "quickness of military precision" advertised.

Robert Lawrence, National song leader, of Washington, D. C., who had been engaged for the entire week, held a community sing each evening on the "common." Immense crowds attended these sings. Many coming from the neighboring towns in cars, etc.

On Monday evening, North Bridgton night, Misses Agnes and Margaret Jordan sang very pleasingly. On Tuesday, Otisfield night, Mrs. Mitchell and Mr. Brown sang solos. On Wednesday, Bridgton night, Mrs. Phil Staley and Miss Laura Long sang, with Mrs. Wm. Holt accompanist. Harold Ingalls played a cello solo. On Thursday, Norway was represented by Miss Marion Haskell, violinist, with Miss Ruth Cummings accompanist. On Friday, Camp Newfound gave a charming entertainment with orchestra, chorus and violin solos. On Saturday, Harrison night, solos were sung by Mrs. Hobart Denison, Mrs. Frances Pitts and Elmer O. Stuart. A cornet solo was played by Ethel Whitney. On Wednesday evening, in the Bungalow Play House, a concert was given by a few of the pupils studying with Professor Bristol. On Friday evening, Camp Wigwam gave a short play followed by a dance and on Saturday evening a costume dance was held at the Bristol Studio.

A side show was presented in the Bungalow Play House Saturday P. M. The parade of horrors comprised two automobiles and the boys from a nearby camp. The week finished Saturday and the decorations were removed, Sunday, by Boynton and Griffin of Lewiston.

E. C. Jordan is building a fine new piazza at his home on School St. Mrs. F. P. Bennett, who has been in Providence and other places in Rhode Island for the past few weeks has returned to her home on Main St.

Women Tell Each Other How They Have Been Helped by Lydia E. Pinkham's Vegetable Compound

Perrysburg, Ohio.—"I took Lydia E. Pinkham's Vegetable Compound because I suffered with pains in my sides all the time. I can't remember just how long I suffered, but it was for some time. One day I was talking with a lady I met on a car, and I told her how I was feeling and she said she had been just like I was with pains and nervous troubles, and she took the Vegetable Compound, and it cured her. So then I went and got some, and I certainly recommend it for it is good. Whenever I see any woman who is sick I try to get her to take Lydia E. Pinkham's Vegetable Compound."

—Mrs. ADA FRICK, Route 3, Perrysburg, Ohio.

In nearly every neighborhood in every town and city in this country there are women who have been helped by Lydia E. Pinkham's Vegetable Compound in the treatment of ailments peculiar to their sex, and they take pleasure in passing the good word along to other women. Therefore, if you are troubled in this way, why not give Lydia E. Pinkham's Vegetable Compound a fair trial.

Months and Miles of Battery Service

A car owner who drives 10,000 miles per year takes more out of his battery than one who drives 5,000, just as a pedestrian who walks a great deal wears out his shoes faster than one who spends most of his day at a desk.

The driver who starts and stops frequently, with short runs in between, or who uses his lights to excess, is not recharging his battery nearly so fast as he is discharging it. He is like the housewife who keeps dipping sugar out of the jar faster than she replenishes the supply.

What is the Life of an Exide Battery?

Many car owners have obtained five or more years of service from their Exide Batteries. Others permit their batteries to be ruined in a few months through neglect and preventable abuse.

The things which do the greatest damage are lack of water, lack of charge and properly secured. So we say frankly to Exide owners that the life of their batteries is largely in their hands.

Keep your battery well charged, filled with water, clean and properly secured in its place and it will give a long life and unflinching service.

## CONSTIPATION OFTEN POISONS THE SYSTEM

### NATURE HAS PROVIDED RELIEF

For every violation of her laws Nature exacts a penalty; but she also has wisely provided relief, especially for the ailments of the human system. Since constipation is the most common of ailments, Nature endowed certain herbs, seeds, barks and leaves with laxative properties. Early settlers, dependent entirely upon Nature, used the extracts from these plants to relieve and correct constipated conditions.

Over seventy years ago, an old-fashioned Maine country doctor who didn't believe in harsh cathartics originated a prescription known as Dr. True's Elixir, the True Family Laxative, which since has given relief to many thousands of constipated sufferers.

The herbs used in its preparation are imported and of strictly pure quality; it helps to correct the cause naturally and relieves its attendant evils; it purifies the bowels as it cleanses.

Here is one of the thousands of cases where Dr. True's Elixir has helped. "As you have been a Godsend to me, that is a friend in need is a friend indeed," I will write and tell you about the value of your medicine—Dr. True's Elixir; be-

lieve me, it helped me. I eat everything that comes along; no more diet. I even tried raw onions for a test. Is that not luck after nine long years of only milk and eggs?"—Mrs. J. E. (Nutley, N. J.)

To have a suitable laxative, one which she knows will prove effective, be easy to take and guaranteed pure, Mrs. Peter Velme of North Charleston, S. C., sent up North. She says: "I have great faith in Dr. True's Elixir, the True Family Laxative and Worm Expeller, and have been using it for over ten years. I send for it to my old home at Oxford, Me."

A well-known New Yorker writes: "While visiting in historic old Plymouth (Mass.), my family became acquainted with your Dr. True's Elixir, the True Family Laxative and Worm Expeller. It does all you claim for it in aiding digestion and relieving insomnia and constipation. Please ship me six large size bottles, for mother is in need of it."—Wm. I. Ralph.

Dr. True's Elixir, the True Family Laxative, was first a Maine medicine, then New England, now International. 40c, 60c, \$1.20.

## NORWAY AND VICINITY

Special Races and Ball Games  
Oxford County Agricultural Society staged a line of sports at the County fair grounds, Thursday, Aug. 2 which attracted some two thousand people in the afternoon. For various reasons the trotting card fell down in the 2:15 class cancelled and but three started in the 2:25 and 2:25 class. A special matched race with a field of two starters was arranged to fill the vacancy. Time was slow in straight heats for all races, and little enthusiasm was shown. Potte's string of Lewiston captured the big money in each event. The new track was in fine condition for fast marks and this fact gave the throng in the grand stand good cause to "josh" the drivers as they passed under the wire.

The matched race featuring Wilgus, Howard Rand's sportsman, and Admiral Black owned by Arthur Jack was a clean cut event but minus speed. Wilgus was never headed off in the three heats. Summary:

Wilgus (Potte)	Matched Race	1	1
Admiral Black (Garny)	2:21	2	2
Time: 2:21	2:21		
2:18 Class, Trot or Pace	Purse \$200		
Main Shot (Potte)	1	1	
Prince Dell (Simons)	2	2	
Dick Cable (Fauve)	3	3	
Time: 2:27 1/2, 2:19 1/2, 2:20 1/2			
2:25 Class, Trot or Pace	Purse \$200		
Hilarious (Potte)	1	1	
Miss Sandy Hall (Fauve)	2	2	
Lady Bird (Fauve)	3	3	
Time: 2:25 1/2, 2:22 1/2, 2:25			

### Twin Towns 4; Dixfield 3

The ball games saved the day for both contests were a rare exhibition of fast stuff and kept the large crowd on edge. The morning game applied to the Tri-County League. Billy White manager of the Twin Towns was especially anxious to annex this crowd and keep the outfit at the head of the class with Livermore Falls. Harry Lord was equally desirous for Dixfield to appropriate the big end. Thus the morning battle waxed hot with the Twins turning the trick in the eighth on a single run lead. Norway captured a pair in the second which they held against a strong opposition. Dixfield went into the front ranks with three tallies in the eighth after two batters were gone but were unable to squeeze by the pair Twin Towns secured in their last frame. Both Pierotte and Knight twirled in regular form with honors equally divided.

Dixfield 4; Twin Towns 3.  
The afternoon exhibition game was another fight to the finish. Dixfield brought it to a head in the eighth with a pair of crossings which gave them the battle. The first chapter opened with indications of a high score as the outfit landed two runs apiece, this idea soon evaporated as Fowler and "Lefty" Beck set the emergency. Struggle as they might only zeros were hung on the score board until Dixfield cracked the ice and penetrated Billy White's defenses in the eighth frame. Two scores were landed in a grand spirit, and no drive made against the Dixies could dislodge the bunch from this position.

Dixfield's final spurt for the winning scores came as lightning from clear skies. With two gone Fowler beat out a slow roll to Peel, a triple by Wetherell and Cahill's heave over third put the winning marks across. Summary:

## 1924 Models Are the Finest Big-Sixes Studebaker Ever Built

The enthusiasm with which the new 1924 model Studebaker cars have been received locally is an indication of the reception they have enjoyed throughout the country.

No wonder. They are emphatically the most compelling values Studebaker ever offered and the public knows that Studebaker has been a consistent leader, year after year, in the amount of intrinsic value per dollar invested.

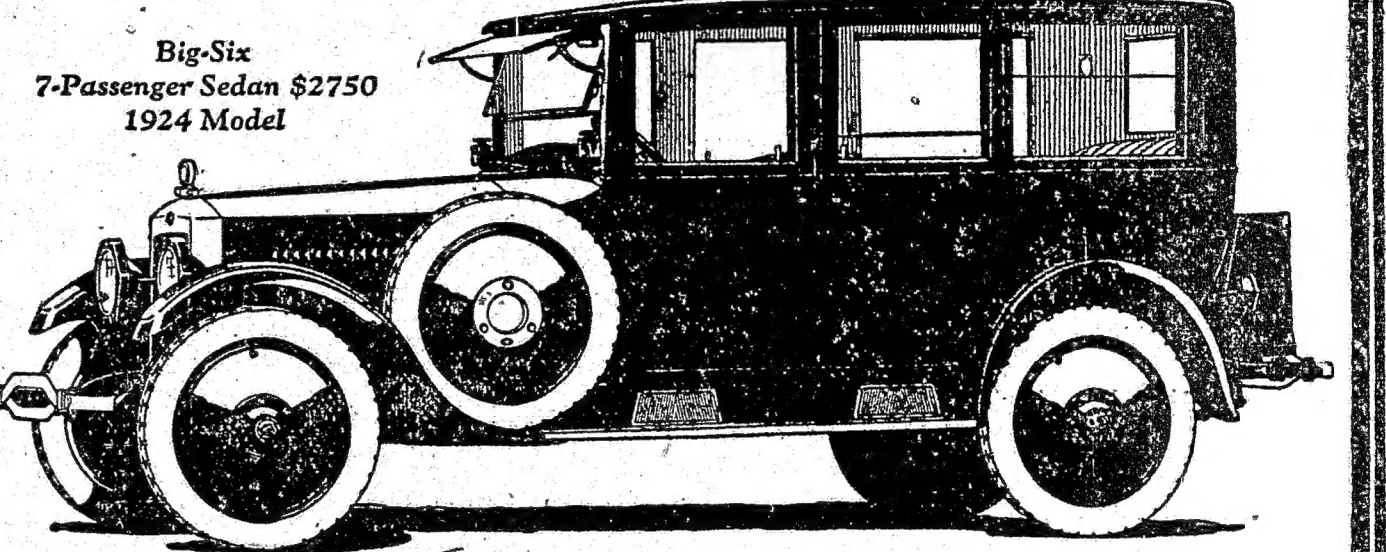

The Big-Six Sedan and the Coupe are the finest cars that have ever borne the name Studebaker. They provide all the performance, all the comfort, and all the dependability that any car will give—at a price that smaller producers cannot approach.

Everything for which one can wish in motoring convenience, comfort and utility has been provided—even to the extra disc wheel with tire, tube and tire cover (two on Sedan); handsome nickel-plated bumpers, front and rear; large, roomy trunk; automatic gasoline signal, and many other features. There is nothing more to buy.

The prices of the Sedan and Coupe are moderate because of Studebaker's large production, vast physical and financial resources, the manufacture of all vital parts in Studebaker plants, and the accumulation of experience and prestige gained through 71 years of building quality vehicles.

### Notes From Conifer

The following guests are now at "Conifer" for the summer: Miss Gerolinde McEnery, Great Barrington, Mass., Mrs. Caroline W. B. Atkinson, who motored up from Seaside, N. Y., with her husband and four children, Jean B. Atkinson, Caroline Atkinson, James Atkinson and William H. Atkinson. Mr. Atkinson stayed a week and returned to his business. He will return to spend August with his family. The Atkinsons are a very sport-loving family, and few days go by without their returning with a string of bass or pickerel. Mrs. E. M. Elenor King, her daughter-in-law, Mrs. Gertrude H. King and the latter's infant son, D. S. Gray King, all of Glen Ridge, N. J., Miss Kathryn L. Hinrichs and Mr. J. Wilson Hart of Glen Ridge, Mrs. L. E. Hinrichs and her two sons, Noel and Stephen, also of Glen Ridge, N. J., Mrs. S. A. Morrison of Cranford, N. J., and her three children, Barclay, Jean and Carroll; E. W. Lombard and his two daughters, Mr. and Mrs. George S. Schmidt, Jr., of York, Pa., stayed two weeks and caught many fine fish. Among the visitors have been Mr. and Mrs. George Wallace who have taken a cottage at Bridgton for the summer and Dr. and Mrs. Willis A. Dewey of Middlebury, Vermont, who were guests of Mrs. P. C. Stohr for two days and Mrs. S. R. Jewett of Chicago, with her daughter, Mrs. Leo Brady of Baltimore, Mr. and Mrs. P. C. Stohr of Chicago and Mr. and Mrs. Robert Rob of New York. All the guests and visitors have thrived exceedingly under the able administration of Mr. and Mrs. Davey, well assisted by Aunt Lizzie Morse at the stove, Marion and Ethel Bemis in the dining room, Anna Charles and Mrs. Sadie Flint, wife of the invaluable Eugene Flint, Conifer's farmer, who has the smiling Rex Charles to help him.

### Conifer Enlarged

Accommodations at Conifer have almost doubled since last year due to the erection of seven commodious cabins, built by Sargent Coleman of Centor Lovell. The cabins are of spruce sides covered with spruce slabs giving a log cabin effect. All are provided with fireplaces built by Sargent Coleman's efficient mason, Foster, whose fancy and ingenuity were given free rein with the result that the fireplaces are unique, and they draw; a very potent consideration these last few cool nights.

Glorious sunshine with a cloudless sky was Nature's gift for the wedding day of one of our most popular young ladies, Martha Auella Brooks and Henry Augustus Noyes who were united in marriage at Bethel on Wednesday, August 1 by Rev. C. B. Oliver. The bride is the youngest daughter of Mr. and Mrs. Alpheus Brooks, a member of Franklin Grange and a graduate of Woodstock High School in 1922 where she was active in all school and social affairs, winning second prize in the speaking contest during her sophomore year and was a member of the basketball team, winning her letter when a senior. During the past year she has been a most successful teacher at the Richardson Hollow school.

The groom a young man of sterling character, is the eldest son of Mr. and Mrs. John Noyes of Richardson Hollow, Greenwood, and with his father, carries on one of the largest and best equipped farms in town. Mr. and Mrs. Noyes took no wedding trip, but after the ceremony returned to the home of the bride where a handsome wedding cake made by the bride's mother and sister, Mrs. Myrtle E. Smith, was served. They then went to their future home which was waiting for them and which is near the Noyes farm. The best wishes for a long life of happiness is extended by a large circle of friends, both near and far.

**CENTER LOVELL**

**Sunday Services**  
The morning service at the Christian Church at Center Lovell last Sunday was conducted by John R. Dallinger, son of Congressman Frederick W. Dallinger of Cambridge, Mass.

The young man, who has been a summer resident of Lovell all his life, is a student in the divinity school at Harvard University. He was introduced to the large congregation by the Rev. Josiah Heald, a former resident of Lovell, and a member of one of the most prominent Lovell families, who for the past thirty years has been a missionary in New Mexico. He spoke of his high regard for the young man, particularly in view of the fact that his maternal ancestors and a large number of his relatives have been leading officers of Lovell. He said that it was a pleasure, in the evening of his ministerial career, to introduce a young man, to whom many walks of life had been open, but who had chosen and was in the dawn of that same service. He expressed complete faith in the son of a man who has always stood for the best thing in government.

Mr. Dallinger impressed the congregation with his ease in the pulpit and his strong appeal for an intelligent study of the Bible.

**Memorial Service**  
On last Sunday, when services were being held all over the country in honor of President Harding, the summer residents and natives of Center Lovell joined in tribute to the late chief executive at a vesper service, which combined impressiveness and grandeur with simplicity and earnestness as few others could have done.

The setting was a temple fashioned by God's own hands—a small, quiet cove in Lake Umbagog, with a wide, smooth, sandy beach, and a grove of century-old pines for a background on the summer estate of B. S. Whitehead. Just in the center of the semicircle, where the grove leads into the beach, is a natural rock pulpit, from which the Rev. Dr. Marcus Brownson of Philadelphia conducted the services, and the Rev. Ashley Day Leavitt of Brookline, Mass., offered prayer.

The congregation was seated along the beach and in boats anchored in the cove. The rapidly falling dusk lent an atmosphere of church-like dimness to the worship.

Beneath the pulpit an organ had been placed, and a choir of young people sang hymns, in many of which the entire congregation joined, sending a volume of song reverberating over the quiet lake. The group singing was supplemented by vocal solos by Mrs. E. Van H. Schultz and cornet solos by Mr. West. After McKinley's favorite hymn, "Nearer, My God, To Thee" and Roosevelt's favorite, "How Firm a Foundation" had been sung, Dr. Brownson paid a strong tribute to President Harding, calling for his favorite hymn, "Lead, Kindly Light."

"Some say he was not a great man," said Dr. Brownson. "What is greatness? I believe that he will go down in history as a great peace-maker. And blessed are the peacemakers, for they shall be called the children of God." He also expressed confidence in President Coolidge, and emphasized the fact that both the departed President and his successor have always been staunch Christians and that "even the President of the United States is not above going to church."

The services ended with the singing of America before the benediction of the minister was given, and then with the blowing of Taps by Mr. West.

**DISASTROUS FIRE AT RUMFORD**

A conflagration at Rumford Falls, Thursday afternoon, August 2, destroyed some twenty buildings, including Majes Theatre Block, the Nile Block and many tenements and stores on Waldo street between Maine and Oxford Avenues. This is the worst calamity in the history of the town.

The fire started in a shed adjoining the theatre and was discovered at the loft over the stage about 5:15 p. m. Rapidly and low pressure in the water mains hindered the fire department. Help was sent from Mexico and Lewiston and the conflagration was at length confined to the burned area. At eleven o'clock it was under control. Three hundred families were made homeless with a total financial loss estimated at \$500,000.

Rumford handled the relief problem in a masterly way. Before the ruins cooled families were given shelter and the school houses opened for the storage of household goods collected from the wreckage. No lives have been reported lost, but many had narrow escapes in the confusion and frantic efforts to save personal property.

The town is facing a temporary problem of furnishing pure drinking water until the mains can be cleared of unsanitary river water pumped in to raise the pressure. Warning has been issued by the local public health officer and spring water is being furnished by the Mt. Zion Company and others until the mains are flushed clean.

	THREE BIRDS' NESTS	
	Did you ever pass by two-houses built just alike and painted alike on the outside, and then enter both and notice the difference inside? You would hardly know the houses were built alike or the same plan, so different were the main parts. Quite likely you have done so in the home of man, but had a chance to do this same thing in the home of our feathered friends the other day.	
	While strolling through the orchard found three little birds' nests, which have been blown down by the wind. All three were so dainty, and oh! so carefully woven of the finest of roots and lined with hair. Although the three were almost the exact size, and built of precisely the same material, they looked nothing alike.	
	All had an outside covering of very fine light brown roots woven in the most careful manner. The first nest was lined with horse hair, every hair being black and the roots being of a dark color.	
	The second was lined with cow's hair, and the roots being white, while the third was lined with hair of different kinds and colors but white seemed the predominant color. This it seems that birds choose as well as people have their choice of color for their homes.

Mrs. Mary F. Dresser  
Mrs. Mary F. Dresser of North Waterford passed away at the home of her son-in-law, Harry Brown, on Wednesday, August 1st, at 1.15 p. m., following a long period of failing health. Her age was eighty-five years.

In May 1919, Mrs. Dresser suffered a severe paralytic shock, from which she only partially recovered. In her final sickness she was confined to her bed for a period of eight weeks. During all the years of her invalidism she was faithfully and tenderly cared for by her daughters, Mrs. Edna Sessions and Mrs. Harry Brown. Mrs. Dresser was born in Albany, February 16, 1838, the daughter of Jacob and Mary Frost Wardwell. October 18, 1855, she was married to Parker Dresser of Albany, and they continued to live in this town until the death of Mr. Dresser in 1912. Since that time Mrs. Dresser has made her home with her youngest daughter, Mrs. Harry Brown. Mrs. Dresser was a life long member of the Congregational Church of Albany.

Five children, one son, Jacob W., and four daughters, Mrs. Adria Doughty, Mrs. Lizzie Chaplin, who died in 1904, Mrs. Edna Sessions, Mrs. Maud Brown were born to Mr. and Mrs. Dresser. She leaves six grandchildren, Mary F. Dresser, Walter D. Sessions, Mrs. Bertha Sessions Young, Rex Sessions, Earl D. Brown and Raynor K. Brown and one great granddaughter, Constance Young.

The funeral was held Friday, August 3rd, at 2 p. m., at her late home, and was private, being attended only by relatives and a few friends and neighbors. The officiating clergyman was Rev. C. N. Rev. C. G. Miller of South Paris de-  
livered an interesting sermon in the  
Chautauque tent last Sunday. His theme  
was "What constitutes a Christian?"  
and he finds the answer in Jesus' own  
words, "Ye are my friends if you do  
whatsoever I command you." The song  
service of old fashioned hymns was in-  
spiring and the quietude of the songs  
and the sermon delivered in the tent  
under the blue sky was a striking con-  
trast to the rushing around of automo-  
biles, railroad trains and the eager mov-  
ing picture crowds of today.

George Forbes is building a garage.

**Chautauque**

Radcliffe Chautauque has again vis-  
ited us, and was heartily enjoyed by the  
townspeople. Its platform features were  
attractive and their program was excel-  
lent, much that they offered was among  
the best and it might be said that their  
selections would satisfy the most exact-  
ing and over-critical.

In his lecture "The Red Horizon"  
Mr. Volmer vividly and truthfully por-  
trays the conditions of the world today  
and gave his audience much food for  
thought.

The direction in his lecture "Main St.  
vs. Broadway" strikingly and as truth-  
fully brought out the conditions of the  
homes of the present time, the indiffer-  
ence of parents in the building of their  
children's character. He has seen much  
of domestic life, having made a study of  
it both at home and abroad and "knows  
whereof he speaks" and he is a match-  
less orator.

The Fooley Quartette in their pictur-  
esque and oriental costumes was extreme-  
ly entertaining. Frank Lucas is one of  
the greatest living accordionists. Ello  
worth Plumstead will stand unrivaled in  
character delineations and make up is  
exceedingly popular, every move on the  
stage being so realistic. Miss Ware is a  
violin artist, who will be heard with de-  
light.
